CERTIFICATION

I hereby certify that I am the owner of record of the named property, or that the proposed work is authorized by the owner of record and that I have been authorized by the owner to make this application as his authorized agent and I agree to conform to all applicable laws of this jurisdiction. I further certify that information given is true and correct to the best of my knowledge.

I fully understand issuance of a permit does not bar prosecution or other legal action for violations of the Pennsylvania Uniform Construction Code, Act 45 of 1999 as amended (UCC) and that a building code official (BCO) may suspend or revoke a permit issued under the UCC if I do not make the required changes directed by the BCO, when the permit is issued in error, on the basis of inaccurate or incomplete information or in violation of any act, regulation, ordinance or the UCC.

I acknowledge that any and every person who performs work associated with the application, permit, and the plans will fully and wholly comply with the Act of June 2, 1995 (P.L. 736), known as the Pennsylvania Workmen’s Compensation Act, as amended. I will hold Penn Township harmless for any liability whatsoever arising from the approval of this application, the issuance of any permit or any work performed as a result of this permit.

I acknowledge that Penn Township must approve or deny a residential construction permit for one-family, two-family, utility and miscellaneous use structures within 15 business days of filing date and commercial construction permit within 30 business days. **I acknowledge that no change in grade or elevation of any township easement or right-of-way is allowed and that any structure and/or landscape material placed within such easement or right-of-way is subject to removal at the owner’s expense. I further acknowledge my responsibility to notify Pennsylvania One Call and have all utilities properly marked.**

Please be advised that a Stormwater Permit is required for all projects with the exception of decks and fences.
