ANNOUNCEMENTS:

Commissioner Heiland announced that after the public meeting this evening the Board of Commissioners would convene in an executive session with the Solicitor to discuss personnel, and other legal matters involving attorney/client privilege.

APPROVAL OF THE MINUTES:

The minutes of the January 20, 2020 Board of Commissioners meeting were approved as submitted.

PERSONS TO BE HEARD – CITIZEN'S COMMENTS:

Mr. David Shearer, 4052 Grandview Road, wished to speak about the lack of a noise ordinance within the township. He stated that his neighbors across the street have a dog and on Sunday, February 9th, 2020, the dog was left outside to bark for four hours. This is not the first occurrence usually it is for an hour or two. Another issue is fireworks, he is unsure where they are being set off and it has occurred before, during and after July 4th, late into the evening. He stated he has spoken with several of his neighbors that have the same concerns. Commissioner Heiland asked Mr. Shearer if he has spoken with the dog owners regarding the issue and Mr. Shearer replied they are unapproachable. Mr. Shearer stated that there are other issues with the neighbor. Police Chief Hettinger requested Mr. Shearer contact him and he can investigate the other issues and while there is no noise ordinance the Police Department can notify the dog owners of the noise complaint. Mr. Shearer asked the Board if there was a way to instate a noise ordinance since this has been going on for several years. Commissioner

Heiland stated that they have had this discussion before. Solicitor Hovis added that noise ordinances are very difficult to enforce, that it falls under nuisance, and the court would need to decide what is considered a nuisance and are usually reluctant to do so. Commissioner Heiland stated that hopefully a visit from the Police would help the issue. Commissioner Felix added that he believes Hanover Borough may have an ordinance regarding barking dogs, and asked Chief Hettinger to research into this. Commissioner Heiland stated that the Board will check into this, and requested that Mr. Shearer keep in contact with the Police Department.

Mr. Max Kuznik, 381 Sonny Street, Mr. Kuznik stated that he is the only resident on the side of Sonny Street where the intended No Parking may be placed. He has three pick up trucks, two trailers, and a twenty-eight-foot pontoon boat. He asked where he along with family and friends that visit is to park. Commissioner Felix stated that they are proposing to make only one side of the street no parking. Commissioner Felix added that this is a public safety issue due to the new part of Sonny Street is wider and does not meet up with the old section of the road traveling out to Grandview Road. Mr. Kuznik stated that from his truck to the other side of the street is eighteen and a half feet, how much clearance is needed. He expressed that in his opinion coming around the corner is more of a traffic hazard then the narrowing of the road. He added that the speed limit is 25 mph, he suggested lowering to 15 mph. Commissioner Heiland thanked Mr. Kuznik for coming in and addressing his concern and a final decision has not yet been made. He asked Mr. Kuznik if he could attend the next Public Safety Meeting on March 2, to discuss further. Mr. Kuznik stated that he has a previous engagement and could attend the next Board of Commissioner's Meeting on March 16th, weather permitting.

Mr. Channell, President Elect of the Exchange Club, was present and stated that he contacted Strickler Signs and asked if they could cover the business logo on the truck as suggested during the Public Works Meeting and he was told that the truck was recently painted and they do not want to damage the truck. Mr. Channell stated that the purpose of the truck is to advertise the Builder's Home and Garden Show, not to advertise Strickler Signs. Commissioner Van de Castle asked Mr. Channell, if Strickler Signs would be willing to drape a sheet held in place by the door window. Mr. Channell replied that the Strickler wording is on the back of the truck. Mr. Channell added that the truck would only be in use for six days and monies raised go back to the community.
